Leonardo
DA VINCI'S WORKSHOP

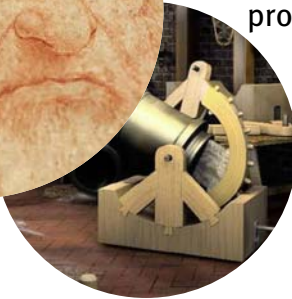

THE EXHIBITION

October 13, 2011 to March 18, 2012 - Separately priced.
Presented by Barilla Canada Inc.

Scientist. Inventor. Artist. Explore the remarkable mind of one of history's most famous geniuses. This special exhibition will encourage visitors to explore the science of art and machines, experience unique 3-D models presenting Leonardo's drawings and notebooks and learn about his life story. Dissect and probe Leonardo's work through sophisticated touch screens.

See Leonardo's concepts spring to life, with 16 exclusive scale models of his inventions, including his Mechanical Lion and Robot Soldier, as well as the famous Great Kite flying machine. This exhibition will spark the imagination and curiosity in visitors of all ages.

NEW! GPS ADVENTURES

October 7, 2011 to January 8, 2012 - Included with admission.

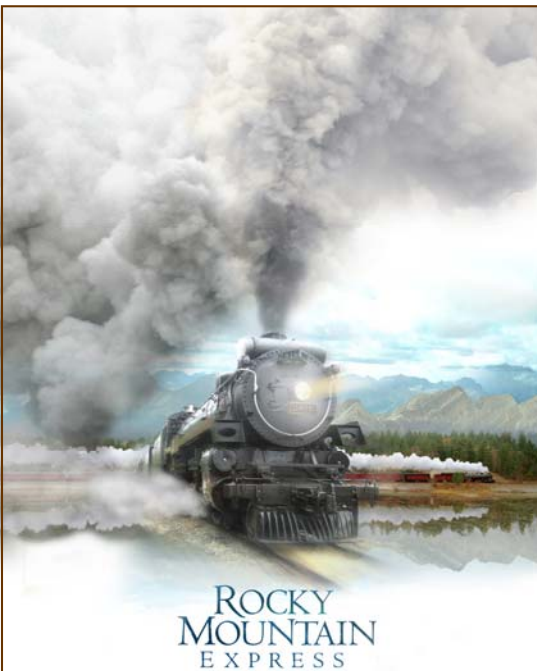

See how Global Positioning System (GPS) technology is changing the way we live, work and play. GPS is everywhere – from automobiles to cell phones – and is the backbone of Geocaching. Jump into an exciting treasure hunt with *GPS Adventures*. Experience GPS and Geocaching as you go through a maze of fun and interactive activities. Find your way out using GPS Adventure Cards! Engage in hands-on interactives, educational displays, videos and touch panels that address the many facets of GPS technology and Geocaching. Enjoy a mind-bending and exciting adventure for all.

NEW IMAX® Film - ROCKY MOUNTAIN EXPRESS
Opens October 1, 2011

Rocky Mountain Express will propel audiences on a steam train journey through the Canadian Rockies taking them on the ride of a lifetime – a chance to re-live the remarkable age of steam. As the adventure unfolds, viewers discover locomotive 2816 and retrace the original route of the Canadian Pacific Railway. Rocky Mountain Express takes visitors on a picturesque adventure through towering snow-peaked sentinels, roaring river gorges and a daunting and vertical landscape, showing viewers the beauty of the true golden age of rail transportation.

Directed by Stephen Low and produced by Pietro L. Serapiglia and Alexander Low. This film is part of the LG Film Series.
