

## Dell Learning System – Access for Full-time Students

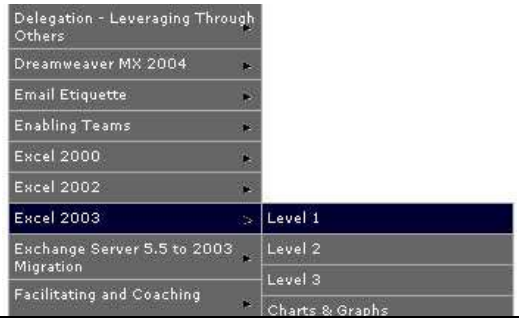

The Dell Learning System offers over 150 tutorials to full and part-time Georgian College students and staff. Access knowledge and skill-based course content online. Need help? Chat with a live person by clicking on “Live Expert” - type your question and wait for a response.

To access Dell content:

<p>1. If you have never set your password at Georgian or if your password has expired, visit <i>Quest Password Manager</i> to set your password:  <a href="https://password.georgianc.on.ca/QPM/User/Identification/">https://password.georgianc.on.ca/QPM/User/Identification/</a> . Your domain is <i>student.georgianc.on.ca</i> and your username is your student ID number. Click OK and follow directions to change your password.</p>	<p><b>Quest Password Manager</b>  <b>Enter Your User Name</b>                  To verify your identity, type your user name, and then click OK.</p> <p>Domain:  <input type="text" value="student.georgianc.on.ca"/></p> <p>User name:  <input type="text"/></p> <p><a href="#">Forgot your user name?</a></p> <p>OK</p>
<p>2. Click on the Dell link on the Georgian College student webpage, or visit <a href="http://dls.georgianc.on.ca">http://dls.georgianc.on.ca</a></p>	
<p>3. Log in using your login (student ID number) and password.</p>	
<p>4. <b>For the first time login only</b>, you will need to register for your course material. Click on “Use Registration Codes.” Enter <b>CLASS-XGP-CWW-GSG</b> into the field space provided and press Enter. (This is case sensitive.)</p> <p>You may have to refresh your screen now.</p>	

Student Access to Dell Learning Systems at Georgian College

5. Select a course title and level from the left side of your screen and a level within the course.

6. You have access to the curriculum content titles, course outlines, and a study guide and in some cases, exercises and exams. Click on the Course Outlines link and make a selection from the list of topics. Note the link to *Live Expert* where you may ask content questions using a live chat line.

7. Select only those parts of the content that you want to learn or need to know and ignore the less important sections. Access course questions or tests here.

8. Don't forget to logout at the end of your session.

Contact Dell Live Expert for assistance with curriculum content questions or Wanda Moosang at [wmoosang@georgianc.on.ca](mailto:wmoosang@georgianc.on.ca) for more information about Dell @ Georgian.
