- It is required that students have a current Cardiac Life Support certificate (includes theory and practice in artificial respiration, one and two person CPR, infant and child CPR. On-line courses are not acceptable) prior to entering the program. It is the student's responsibility to renew certification annually while in the Program. Students are asked to submit a copy of their current Cardiac Life Support certificate to the registrar's office and show the original to the program coordinator at registration.
- Applicants must have up-to-date immunization records in compliance with the Public Hospitals Act. Completion and submission of this record is required at registration in order to ensure your placement in clinical and field placement facilities.
- A Hepatitis B vaccination is required for your own safety. It can be obtained at a reduced cost through the student insurance plan.
- Applicants are encouraged to obtain volunteer or work experience in a health or human service field to assist them in making a career choice.

**Completion of Program**

The Practical Nursing Program is 5 semesters in length and you must complete your program of study within four calendar years.

Applicants who are 19 years of age or over by the first day of classes, and who lack the academic admission qualifications, may be considered for entrance as mature students. Each applicant will be considered on an individual basis and acceptance will be determined by counseling, Communication Placement Assessment (CPA), previous post-secondary education and evaluation of experience. Some programs also have specific prerequisite requirements that must be met prior to admission. Mature applicants must meet all program specific pre-requisites. Those applying as mature students and having no documentation of Grade 12 education must supply, if requested, proof of age, such as a copy of an official birth certificate or driver's licence.

**Selection Process**

Applicants must also complete a standardized test as part of the selection process. Applicants will be assessed and ranked based on the results of their testing and their academic background.

## **External Recognition**

Upon graduation from this program you will be recommended to the College of Nurses to write the registration examinations. Successful completion of these examinations and compliance with the Regulated Health Professions Act will entitle you to become a Registered Practical Nurse and thus a member of the College of Nurses of Ontario.

Please note: The College of Nurses of Ontario (CNO), the body responsible for regulating nursing in Ontario, sets entry to practice requirements that nurses and practical nurses must meet to become registered in Ontario. CNO's mission is to regulate nursing to protect the public interest. Among CNO's entry to practice requirements are provisions specifically intended to enhance public safety. These provisions require that applicants for registration in Ontario:

## **Graduation Requirements**

24 Mandatory courses

2 Communications courses

4 General Education courses

## **Graduation Eligibility**

To graduate from this program, the passing weighted average for promotion through each semester, from year to year and to graduate is 60%. Additionally, a student must attain a minimum of 50% or a letter grade of P (Pass) or S (Satisfactory) in each course in each semester.
