Admission Requirements

Grade 12 English (C) or (U) (ENG 4C, ENG 4U), Grade 12 College Chemistry or Grade 11 or 12 University Chemistry (SCH 4C, SCH 4U, SCH 3U), any Grade 11 College or Grade 11 or 12 University Biology (SB13C, SB13U or SB14U).

For applicants at the general level, a minimum of 70% is recommended. Computer skills and knowledge of basic math calculations are highly recommended.

Selection Process

Applicants are required to complete the Health Occupations Aptitude Examination as part of the selection process. This test measures reading comprehension, spelling, natural sciences and verbal/non-verbal reasoning. Scores from this test as well as academic grades are used to determine acceptance. Please note that applicants completing the HOAE cannot retake the test within six (6) months of the first attempt. Applicants will be assessed and ranked based on the results of their testing and their academic background.

Additional Information

Applicants are advised that for the program's clinical requirements and future employment situations, they must have good vision (with or without corrective lenses), be able to sit and stand for prolonged periods and mix various materials using repetitive wrist motions.

In addition to these requirements, applicants must also provide proof of a current First Aid and C.P.R. Level "HCP" certification, prior to the commencement of preclinical courses in Semester 1. Annual CPR re-certification is mandatory.

Graduation Requirements

22 Mandatory Courses
2 Communications Courses
3 General Education Courses

Graduation Eligibility

To graduate from this program, the passing weighted average for promotion through each semester, from year to year and to graduate is 60%. Additionally, a student must attain a minimum of 50% or a letter grade

of P (Pass) or S (Satisfactory) in each course in each semester.
